Re: *Frontier Airlines v. AMCK Aviation, et al., Case No. 1:20-cv-09713-LLS*

Dear Judge Stanton:

Trial in this matter is scheduled before you to begin on March 18, 2024 and continue through March 29, 2024. The parties learned last week from courtroom staff that the five-week trial scheduled before our trial date has, for unforeseen circumstances, been delayed by two weeks—meaning that our trial may not be able start on March 18 as originally set. The courtroom staff indicated that the Court had availability for our trial in the month of April.

Counsel for the parties have conferred and have agreed, with the Court's approval, to adjourn this case and to start the trial on April 8, 2024 and continue through April 19, 2024. Counsel also wish to notify the Court that, due to the trial continuance and to accommodate the schedules of some witnesses, certain witnesses may be called to testify out of order.

Very truly yours,
